Getting started with ReadingLists@Hull - Installing the Bookmarklet button

1. Go to ReadingLists@Hull: http://readinglists.hull.ac.uk

   ![ReadingLists@Hull homepage](image)

   Links to Readinglists@hull are also available from the Library website, the Library catalogue, Subject Libguides and within Canvas

2. Select **Log in** at the top of the screen:

   ![ReadingLists@Hull menu](image)

3. Depending where you are accessing the software you may be automatically signed in, otherwise you will be prompted to enter your University username and password.

4. From the ReadingLists@Hull homepage, click on **My Bookmarks** at the top left of the screen:

   ![ReadingLists@Hull menu](image)

5. Click on the **Install Bookmark Button** link from the top right of the screen:

   ![Install Bookmark Button](image)

6. Click on **Next**

7. Hover your mouse over the **Add to My Bookmarks** button

   ![Add to My Bookmarks](image)

   ![Add to My Bookmarks](image)

8. **Left click and holding the mouse button down,** drag it up to your bookmarks (favourites) toolbar.

9. Position it in between other bookmarks and release the mouse. This will now stay in your toolbar permanently.

10. Rename the bookmarklet to **Add to readinglists@hull**
The instructions below show how this will look in different internet browsers and how to enable your bookmarks toolbar if it’s not already displayed.

Firefox:

When you drag the bookmarklet to your bookmarks toolbar you can release the mouse when the vertical bar shows:

When you release the mouse it will look like this:

A link Add to My Bookmarks will now appear in your bookmarks toolbar at the top of the page.

- Right click, select Properties and rename as Add to Readinglists@hull

If your bookmarks toolbar isn’t displayed, you will need to enable it:

- Click on the file symbol in the top right corner or your browser, click on Bookmarks Toolbar then select View Bookmarks Toolbar:
Google Chrome

When you drag the bookmarklet to your bookmarks toolbar you can release the mouse when the vertical bar shows:

When you release the mouse it will look like this:

A link **Add to My Bookmarks** will now appear in your bookmarks toolbar at the top of the page.

- Right click, select **Edit** and rename as **Add to Readinglists@hull**

If your bookmarks toolbar isn’t displayed, you will need to enable it:

- Click on the 3 dots from the top right of your browser
- Click on **Bookmarks** then **Show bookmarks bar**:
Internet Explorer

When you drag the bookmarklet to your bookmarks toolbar you can release the mouse when the vertical bar shows:

When you release the mouse button it will look like this:

A link Add to My Bookmarks will now appear in your bookmarks toolbar at the top of the page.

- Right click, select Rename and change to Add to Readinglists@hull

If your favourites toolbar isn’t displayed, you will need to enable it:

Click on Tools / Toolbars and select Favorites bar
